

Fee-for Service Schedule

The following represent fees for the period from July 1, 2016- June 30, 2017.

- It is suggested that participants attend 2-4 interactions (events)/month in order to build the appropriate social networks and to progress toward the desired social skill outcomes.
- Overdraft fees must be reimbursed to PTI prior to further participation based on PTI financial institution fees incurred by the agency.
- Participants from all areas are expected to cover the cost of the activity. This could include meal fees, admission, ticket fees, etc...
- If you prefer to be billed monthly or quarterly, there is a \$4/month billing charge built into the fees.
- A scholarship fund has been developed for participants who may not be able to afford the fees below, however scholarship funds will not cover 100% of the fees. To obtain a scholarship application, please contact Craig at 314-863-0202 ext. 2 or craig@ptistl.org
- If you choose one of the annual options (36, 60 or 120 events per year) you will be billed whether you participate or not, so it is to your advantage to participate every month.

Fee for Service if participant lives in St. Louis County and is eligible for PLB funding

Please speak with program staff to see if participant is eligible

	Social Focus/Social Growth	Social College	GAP Services 1:1 Training

- Please note that the above fee structure is approximately 25% of the actual cost to provide services to the average participant for one year. Donors, fundraisers and grants help make up the difference. We request all families to support our fundraising efforts to keep our fees as reasonable as possible.
- Please note that residents of St. Louis County, St. Charles County and St. Louis County all have different fee structures based on the reimbursement rate negotiated with each Senate Bill 40 (SB-40) Board. Each board pays differently and does not always reimburse for all services.
