INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Pathways to Independence

We have audited the accompanying statements of financial position of Pathways to Independence (a non-profit organization) as of June 30, 2010 and 2009, and the related statements of activities, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pathways to Independence as of June 30, 2010 and 2009, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The schedule presented on page 8 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

For purposes of the statement of cash flows, the organization considers all highly liquid investments which are readily converted into cash within 90 days of purchase to be cash

See accompanying notes and independent auditor's report

PATHWAYS TO INDEPENDENCE
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2010

NOTE 1—SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Pathways to Independence (the Organization) is a not-for-profit organization created to assist adults with learning disabilities living in St Louis County, to develop independent living socialization skills. This is accomplished through education, advocacy, networking with other agencies and leisure and recreation programs.

Basis of Accounting

The Organization's policy is to prepare its financial statements on the accrual basis of accounting.

Financial Statement Presentation

As required by the Not-for-Profit Entities Topic of the FASB Accounting Standards Codification, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Property and Equipment

The Organization records its investment in fixed assets purchased for \$1,000 or greater and provides for depreciation expense in the accompanying statements. Purchased assets are recorded at cost. Items contributed to the Organization are recorded at the fair value determined at the date of acquisition. Depreciation is computed using the straight-line method over the estimated useful life of the related assets. The Organization's policy for planned major maintenance activities is direct expense.

Support and Revenue

The Organization receives its primary funding from and is dependent for its continued existence on The Productive Living Board for St Louis County Citizens with Developmental Disabilities (PLB). Grants from PLB was 50% and 57% of total public support for the years ended June 30, 2010 and 2009, respectively. The grants from this organization are on a reimbursement type basis and therefore the restriction has been met when the grant revenue is recognized. These are shown as unrestricted support.

Receivables

Receivables consist of grant income from DD Resources and small payments due from program participants. Management feels all receivables at year-end are collectable, therefore no allowance has been made for uncollectable receivables.

Functional Expenses

The costs associated with providing various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Contributed Services

The Organization has a number of unpaid volunteers who have made significant contributions of their time in the administration and programs of the Organization. The value of these contributed services is not reflected in these statements as they do not meet the requirements for recognition according to the Not-for-Profit Entities Topic of the FASB Accounting Standards Codification.

PATHWAYS TO INDEPENDENCE
 NOTES TO FINANCIAL STATEMENTS
 FOR THE YEAR ENDED JUNE 30, 2010

Tax Status

The Organization qualifies as a tax-exempt Organization under Section 501(c)(3) of the Internal Revenue Code, and therefore, has no provision for federal or Missouri income taxes.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

The Organization has evaluated subsequent events for potential recognition or disclosure through November 4, 2010, which is the date the financial statements were (available to be) issued.

NOTE 2—PROPERTY AND EQUIPMENT

Property and equipment consist of the following at June 30, 2010 and 2009:

	Estimated Useful Life	Current Year Depreciation	Accumulated Depreciation
Furniture & equipment	5 years	\$ 1,157.14	\$ 14,495.95

NOTE 3—RETIREMENT EXPENSE

The Organization participates in a SIMPLE IRA plan and matches up to 3% of full time employees' deferral. This expense is shown as part of employee benefits on the Statement of Functional expenses. The Organization paid \$2,723.67 and \$1,511.84 as its matching portion for the years ended June 30, 2010 and 2009, respectively.

NOTE 4—COMMITMENTS

The Organization entered into a lease for office space to maintain their operations. The following is a schedule of future minimum lease payments required that have initial or remaining non-cancelable lease terms as of June 30, 2010. Future minimum commitments under this agreement are as follows:

<i>Year Ended June 30,</i>	
2011	\$ 11,020.00
2012	11,020.00
2013	12,122.00
2014	12,122.00
2015	13,224.00
	\$ 59,508.00

Lease expense totaled \$7,687.92 for the years ended June 30, 2010 and 2009.

PATHWAYS TO INDEPENDENCE
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2010

NOTE 5–FAIR VALUE MEASUREMENTS

The following methods and assumptions were used to determine the fair value of each class of financial instruments:

Cash – fair value approximates carrying value due to the initial maturities of the instruments being three months or less.

Certificates of deposit – fair value approximates carrying value due to short term nature of the instrument.

The fair value measurements and levels within the fair value hierarchy of those measurements for the financial instruments reported at fair value on a recurring basis at June 30, 2010 are the same as the carrying amounts, all of which are level one. There were not transfers between levels in the year ended June 30, 2010.
