

Pathways to Independence presents our 9th annual winter fundraising event: "Oh the Places You'll Go"

Saturday, February 17, 2018

TASK, Fenton, MO

Dear Friend:

Thank you for all you do in our community! **Pathways to Independence** wishes to take a moment to introduce our organization and invite you to be a part of the ongoing success of more than 150 individuals with complex learning disabilities, certain levels of autism and associated disorders that impact social ability. Our Winter Fundraiser and silent auction is an event in which your support could make a difference in many lives. This is an evening dedicated to increasing community awareness of how Pathways to Independence empowers our participants to practice self-advocacy, social and community interactions and skill development that enriches their quality of life.

The Winter Fundraiser will assist **Pathways to Independence** to raise awareness and funds for our continued mission to support the development of skills that positively impact the lives of adults with disabilities who seek greater independence and social success. Since 1987, our not-for-profit* organization has focused on developing social interaction and community participation skills that are commonly difficult for the participants in our program.

In 2015, PTI expanded its services and opened Inspiration Point, a space to discover direction, be inspired, and take action. With our added Growth and Potential (GAP) training, PTI can now work one on one to improve participants' conversation, interview, employment, independent living, money management and organizational skills. We hope you can partner with PTI as we continue to respond to and address the gaps in disability services. **As the need of the community expands and more individuals age out of the education system, we continually welcome more participants to our programming, requiring us to grow our existing services and add new supports.**

We are requesting your support of our event through one of the following methods:

- silent auction items or
- event underwriting (see the page below and please contact Liz at liz@ptistl.org or Jodi at jodi@ptistl.org for information)

All underwriters and donors will be acknowledged in our event program, along with signage and verbal announcements during the event. **As a small not-for-profit with a big mission, we are so grateful to community members like you, whose support makes all the difference for our participants.**

All donations are tax deductible to the extent allowed by law. **Pathways to Independence** will provide all supporters with a letter of acknowledgement of your gift for tax purposes.

Thank you in advance for your support. Your generosity is greatly appreciated and makes possible our mission of helping individuals master skills that will enable them to become independent adults and contributing members of the community.

Sincerely,

Jodi Woessner
Executive Director

Liz Cottrell
Development Manager
